ISSN – 0702-073X

INDUSTRIAL RELATIONS BRANCH

DEPARTMENT OF POST SECONDARY EDUCATION AND TRAINING

JODY CARR, MINISTER
RACHEL BARD, DEPUTY MINISTER

PREFACE

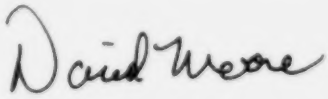
The Industrial Relations Branch compiles data on union membership to be published in the *Directory of Union Organizations.*

This directory contains three sections:

Part	Information
I	Statistical tables on union membership, industry, gender and affiliation
II	Details international, national as well as independent local organizations
III - V	Listing of union representatives, labour organizations, as well as officers of construction associations and building and construction trade councils in the Province.

Information contained in the directory was obtained by a survey or additional research.

The Branch extends a sincere thank you to those individuals and organizations for their cooperation in compiling this document. Please feel free to contact the Branch at (506) 453-2261 to provide input or suggestions on the content.



David Moore
Director
Industrial Relations Branch

PART I

STATISTICS ON UNION MEMBERSHIP IN NEW BRUNSWICK 2006

Summary

For the year 2006, reported union membership in New Brunswick totaled 80,908 compared with the 2005 reported membership of 78,921.

Of the above, membership falling under the jurisdiction of the *Industrial Relations Act* shows a decline whereas reported membership under the jurisdiction of the *Public Service Labour Relations Act* and *the Canada Labour Code* indicates an increase.

Note: Information pertaining to the Maritime Fishermen's Union has not been included in any of the statistical tables due to the absence of a regular employer-employee relationship.

Access to collective agreements filed with the Branch are available on-line using CARS (Collective Agreement Retrieval System). Also available through the CARS system are binding arbitration awards and *Collective Bargaining in New Brunswick*, a quarterly publication. The Branch can also be reached by calling (506) 453-2261 or directing inquiries to: ir.ri@gnb.ca.

PRESIDENT	Gary Ritchie Box 910 Station A Fredericton, NB E3B 5B4	B-506-459-6049 F-506-458-1257

GLOSSARY OF TERMS

*__UNION__ - The unit of labour organization that organizes and charters locals in the industries or trades as defined in its constitution, sets general policy for its Locals, assists them in the conduct of their affairs, and is the medium for coordinating their activities. Funds are obtained from the locals through per capita dues. Unions usually hold regular conventions of delegates from the locals at which general policy is set and at which officers are elected.

*__INTERNATIONAL UNION__ - A union that charters locals in the United States and Canada.

*__NATIONAL UNION__ - A union that charters locals in Canada only.

*__INDEPENDENT LOCAL ORGANIZATION__ - A local organization that is not formally connected or affiliated with any other labour organization.

*__LOCAL__ - The basic unit of labour organization formed in a particular plant or locality. The members participate directly in the affairs of their local including the election of officers, financial and other business matters and relations between their organization and employers, and they pay dues to the local. There are locals of international, national or regional unions, locals directly chartered by a central congress and independent local organizations. Sometimes unions have units, similar to locals, such lodges, branches, divisions or districts.

*__LOCAL OF AN INTERNATIONAL OR NATIONAL UNION__ - A local that is organized by or elects to affiliate itself with an international or national union. Per capita dues are paid to the parent union and in return certain services are rendered by the union.

*__DIRECTLY CHARTERED LOCAL__ - A local that is organized by, and receives its charter from a central labour congress and is not part of an international or national union. It pays per capita dues directly to the congress and receives services from the congress.

*__DISTRICT COUNCIL__ - An organization of locals of a union in a particular area formed to coordinate the activities of the locals in the district. District councils may hold meetings of delegates from member locals to deal with matters of interest to them and at which officers for the district are elected. District organizations are also known by such names as joint boards or conference boards.

*__ALLIED TRADES FEDERATION__ - An organization of unions or locals of unions in a particular area, functioning in the same industry, to co-ordinate the activities of the members and to deal with jurisdictional questions. Policies are established and officers are elected at meetings attended by delegates from member organizations. Trades federations may be known by other names such as union councils, union federations or joint councils, and they are most frequently found in industries organized along craft lines.

*__CENTRAL LABOUR CONGRESS__ - An organization having an affiliation with various unions, directly chartered locals provincial federations of labour, and local labour councils, for the purpose of broadly coordinating their activities at the national level including the relations between union and governments and establishing relations with organized workers internationally. Congresses hold annual or biennial conventions attended by delegates from affiliated organizations at which policies are established and officers elected. The congress also organizes local unions known as directly chartered locals. Funds are obtained through a per capita tax on all affiliates.

*__PROVINCIAL FEDERATION__ - An organization formed by a labour congress at the provincial level, which consists of the congress affiliate in the province. It functions similarly to the congress in the appropriate provincial area except that it does not charter local union. Funds are obtained through a per capita tax on affiliates.

*__LOCAL LABOUR COUNCIL__ - An organization formed by a labour congress at the city level. It is organized and functions in the same manner as a provincial federation, but within the scope of a city. Funds are obtained through a per capita tax on affiliates.
